

IRIS Payroll Year End & Legislation Seminars

Live online training

The Payroll Year End and Legislation Seminars provide you with a live demonstration and practical examples to help you confidently complete this compulsory payroll routine and avoid potential HMRC fines. The course details the new 2018/2019 legislation changes including Re-enrolment and the GDPR. Also included are some payroll hints and tips such as an introduction to auto enrolment and using your IRIS or Earnie payroll software.

The Payroll Year End process is complex because there are three different options of submissions. We can help you choose the correct option for your business to avoid any unnecessary delays with your submission. The course is aimed at anyone who uses IRIS or Earnie payroll software to process their payroll.
