By Road (SatNav - HU3 1EL)

Directions from the West (M62)

The M62 transforms into the A63 about 10 miles from Hull. Follow the signs to Hull. After passing the Humber Bridge exit, take the third exit signed 'Local Traffic/Infirmary'. At the roundabout take the second exit (straight across) onto Rawling Way.

Carry on straight through the traffic lights (with the Royal Infirmary ahead and to your right), and over the railway flyover. IRIS is located next to the fifth street on the left (Crystal Street).

Directions from York and the North (A1079)

Follow the A1079 (Beverley Road) into the centre of Hull until you come to a large traffic lights junction with Ferensway ahead of you and Spring Bank on your right. (If you pass St Stephen's Square Shopping centre and the Transport Interchange on your right, you have gone too far.)

At the traffic lights, turn right onto Spring Bank and follow the road down. Immediately after Iceland on your left hand side, turn left into Stanley Street and then almost immediately right onto Morton Street. Follow Morton Street to the junction.

You have reached Derringham Street (Jacksons Bakery is straight in front of you). Cross over Derringham Street and make a sharp left into the IRIS car park at the front of our building.

Directions from the South (Humber bridge)

When leaving the Humber Bridge turn left at the roundabout and onto the A63. Follow the signs to Hull. Take the third exit signed 'Local Traffic/Infirmary'. At the roundabout take the second exit (straight across) onto Rawling Way.

Carry on straight through the traffic lights (with the Royal Infirmary ahead and to your right), and over the railway flyover. IRIS is located next to the fifth street on the left (Crystal Street).

By Rail

There are direct rail connections to Hull from many UK cities, including London King's Cross (2½ hours) and Manchester Piccadilly (2 hours); or change at York or Doncaster from other destinations.

Taxis are available at the Transport Interchange (which houses both the bus and railway stations). The journey time to our offices is about 5 minutes. You can walk to our offices in about 20 minutes from the railway station. Exit via the 'Car Park' signposts and turn right onto Anlaby Road. Then turn right into Park Street, walk over the humpback bridge, and past Tesco on your right hand side.

Take the first left on to Londesborough Street, and at the T junction turn right onto Derringham Street. Our offices are a double storey grey building near the end of this street on the left hand side.

By Air

The nearest airport is Humberside Airport. Follow the signs to the Humber Bridge (toll bridge). When leaving the Humber Bridge turn left at the roundabout and onto the A63.

Follow the signs to Hull. Take the third exit signed 'Local Traffic/Infirmary'. At the roundabout take the second exit (straight across) onto Rawling Way.

Carry on straight through the traffic lights (with the Royal Infirmary ahead and to your right), and over the railway flyover. IRIS is located next to the fifth street on the left (Crystal Street).

Visitor parking

Visitor parking is to the front of the building - drive past the building and make a sharp u-turn into the car park. Additional spaces are available in the car park at the end of Crystal Street next to our building.
