IRIS Payroll and Human Resources Business Compliance Suite

The essential business resource suite for those working in payroll and HR

This pack is the most comprehensive we have ever designed and goes beyond providing quality training resources to enable a business to assess and refresh their industry knowledge, compliance, and business software solutions.

- The video and live webinars will help ensure you have a smooth year end and are able to comply with the latest legislation impacting payroll including re-enrolment and the GDPR.
- If you are thinking of reviewing your accounting software subscription to align with your payroll, then why not try KashFlow? Included in this pack is 12 months subscription enabling you to keep in control of your accounts, as well as assisting you to get paid faster by customers.
- To help you keep on top of HR issues we have included top HR tips from an employment law specialist.
- Plus this pack includes a place on the webinar 'An introduction to General Data Protection Regulation' or 'Human Resources Best Practice' and a place on the Payroll Year End webinar.

What will you learn?

- ✓ Year-end processes under RTI:
 - What tasks I need to complete
 - Performing a year-to-date reconciliation check
