

# GDPR Next Steps...Webinar

Training on GDPR with example steps your company needs to take

---

## Who is the course for?

This 1-hour webinar based course is full of essential information and steps to take which will help you become compliant with the GDPR legislation, which was introduced on 25<sup>th</sup> May 2018

## What will be covered?

- Overview:** A quick overview of the individual rights of the data subject
- Legislation Overview:** brief summary of the legislation for those that are not aware of the new legislative requirements.
- Data flows:** One of the key parts is knowing what data you keep and how it collected, we will go through some examples on how to achieve this
- Employee Awareness:** A key part of data protection is making sure not only do you have the policies and procedures in place but that staff and employees are aware of them and follow them, we will give you some Basic information security – dos and don'ts
- Subject Access Requests:** We will cover what you need to do to deal with subject access requests
