Dear Customer,

Welcome to your guide to setting up and using IRIS OpenPayslips.

The Guide will describe how to set up and use IRIS OpenPayslips on the web and also within your payroll software.

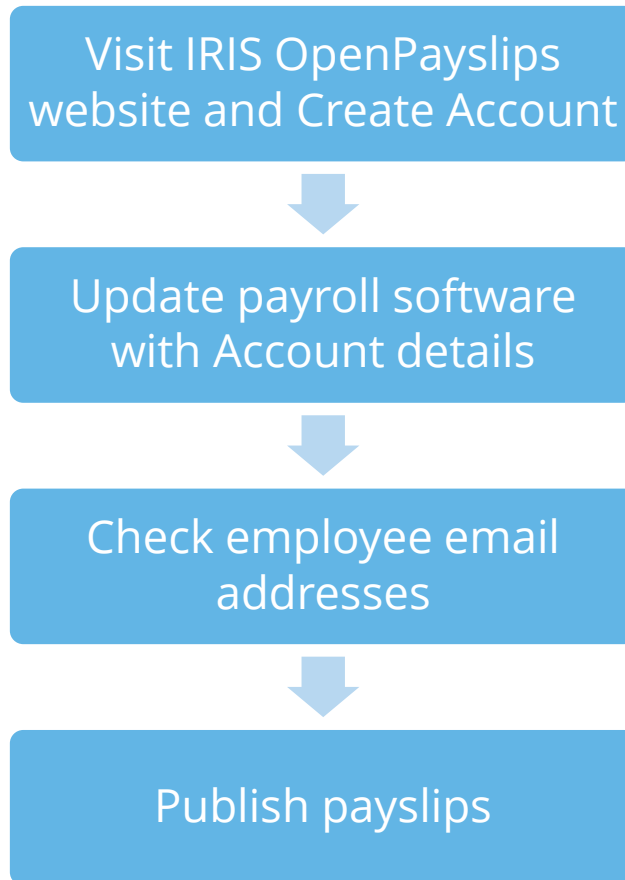

Further help can also be found on our [website](#)

What is IRIS OpenPayslips?

IRIS OpenPayslips is a new way to distribute payslips to employees. Payslips are published from within the payroll software to a secure online payslip portal. Once employees have registered with the portal they are able to quickly view all of their current and historic payslips in an easy to access, secure area.

- All payslip information is taken directly from the payroll software and displayed exactly how they are usually seen
- Payslips can be accessed anywhere an internet connection is available
- Quick and easy to setup with no software to install
- Increases payroll processing efficiency
- Reduces carbon footprint demonstrating an environmentally friendly solution
- Reduces payslip distribution costs including printing, postage and processing
- Fully secure
- Allows employees immediate 24/7 access to their own pay information
- Easy access to historical pay information for both employer and employee
- Free IOS, Windows phone and Android apps available for employees to securely view their own payslips on tablets or smartphones

Steps to setting up and using IRIS OpenPayslips

How to create an IRIS OpenPayslips account

1. Visit the IRIS OpenPayslips website at <https://www.irisopenpayslips.co.uk/>

The screenshot shows the IRIS OpenEnrol and OpenPayslips website. At the top left is the IRIS logo and the text 'OpenEnrol OpenPayslips'. The main heading is 'Welcome to IRIS OpenEnrol and IRIS OpenPayslips' with a '+ LOGIN' button. Below this is a sub-heading 'New - All your automatic enrolment communications and payslips in one place!'. A bolded paragraph states: 'Employees have to be informed at key stages in the automatic enrolment process. The communications required will be set by their worker status and what stage they are at in the process, and the triggers behind this are complex.' Below this is a paragraph: 'IRIS OpenEnrol takes care of the communications element, so you don't have to. IRIS has worked closely with The Pensions Regulator to ensure your workers receive the right communications at the right time.' To the right of this paragraph is a '+ TRY NOW' button. Another paragraph follows: 'As an employer you have a legal obligation to support your employees with payslips and P60s. IRIS OpenPayslips helps automate and streamline this process, saving time, money and helping reduce your carbon footprint.' A final paragraph states: 'IRIS OpenPayslips allows you to publish payslips and P60s electronically from within your IRIS payroll software to a secure online portal. Once delivered your employees can view their current and historic payslips via their smartphone, tablet, laptop or desktop computer, whenever they want!'. Below this is a contact number: 'For more information on Pricing or to receive a quote please call 08448155700.' The bottom section is divided into two columns: 'Benefits to the client' and 'Benefits to the employees'. Under 'Benefits to the client' are three bullet points: 'Quick and easy to setup with no software to install', 'One location for all communications including automatic enrolment, payslips and P60s', and 'Helps ensure automatic enrolment compliance with full audit trail'. Under 'Benefits to the employees' are two bullet points: 'Allows employees immediate 24/7 access to all their communications' and 'Employees can access communications in one secure, online location'.

2. Click **Try Now** to open the following screen:

The screenshot shows the 'Create a new account' registration form. At the top left is the IRIS logo and the text 'OpenEnrol OpenPayslips'. The main heading is 'Create a new account'. Below this is a paragraph: 'Please complete the form below to create new account for your organisation, note that only one account per organisation is required, do not use this form to create user accounts.' Below this is another paragraph: 'To complete the registration a confirmation email will be sent to your email address with an activation link.' The form is divided into two columns: 'New Organisation Details' and 'New Administrator'. Under 'New Organisation Details' are input fields for: Organisation Name, Customer Reference, Address (with a sub-field for street address), Town, Postcode, Country, Telephone, Contact Email Address, and Web Address. Under 'New Administrator' are input fields for: Email Address, Confirm Email Address, Forename, and Surname. Below these are two checkboxes: 'I am an Accountant/Bureau' and 'I have read and agree to the Terms and Conditions'. At the bottom right are 'Create' and 'Cancel' buttons. A red asterisk indicates that the Surname field is required.

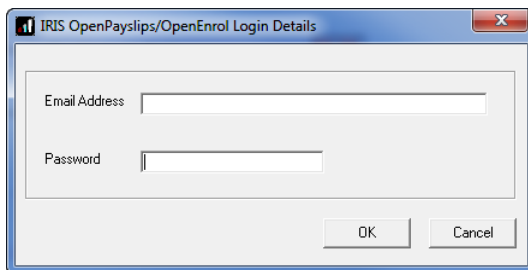

3. Enter the required details then click **Create**. An activation email will be sent to the **New Administrator - Email Address**
4. Click the link in the email to be taken back to the IRIS OpenPayslips website
5. Enter a **Password** and click **Set Password**

How to update the payroll software

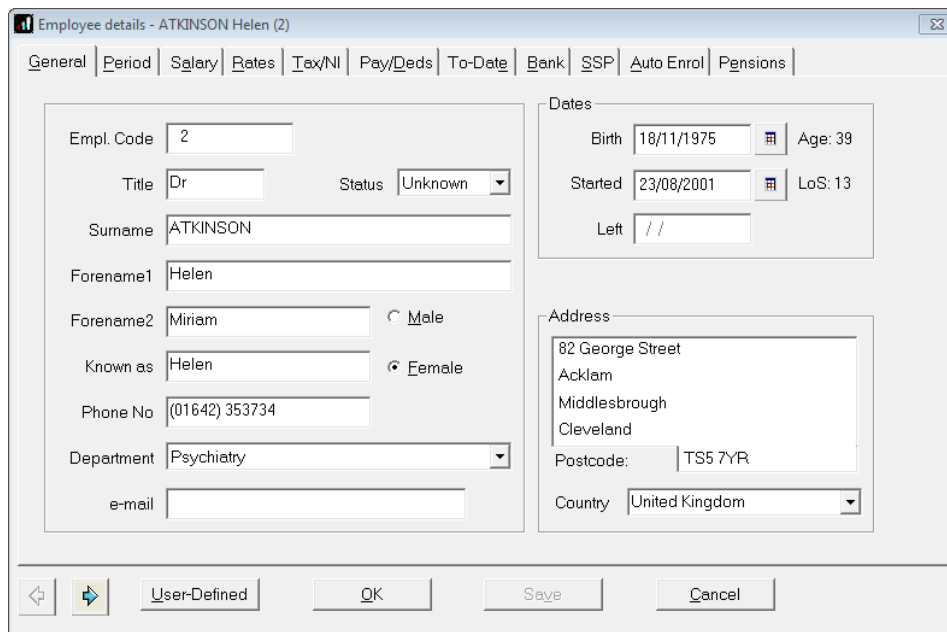

The **New Administrator - Email Address** needs to be added to the payroll software and all employees must have valid email addresses.

1. Log into **Admin**, click on **File | Online Login Details | OpenEnrol/OpenPayslips**

Enter the email address and password registered on the IRIS OpenPayslips website and click **OK**

2. Log back into the payroll and make sure all employees have up-to-date, valid email addresses within **Employee details**

How to publish payslips to the IRIS OpenPayslips portal

Payslips

1. Go to **Reports | Print Payslips** and select the required pay periods

2. Click the OpenEnrol/Payslips **Publish** button in the top right of the **Print Payslip Report** screen
3. If not all employees have an email address, a message will appear asking if you wish to print payslips for those individuals

4. Click **Yes** or **No**

5. All employees paid in the selected pay period with an email address will then be sent an email asking them to register with the IRIS OpenPayslips website to view/print their payslip

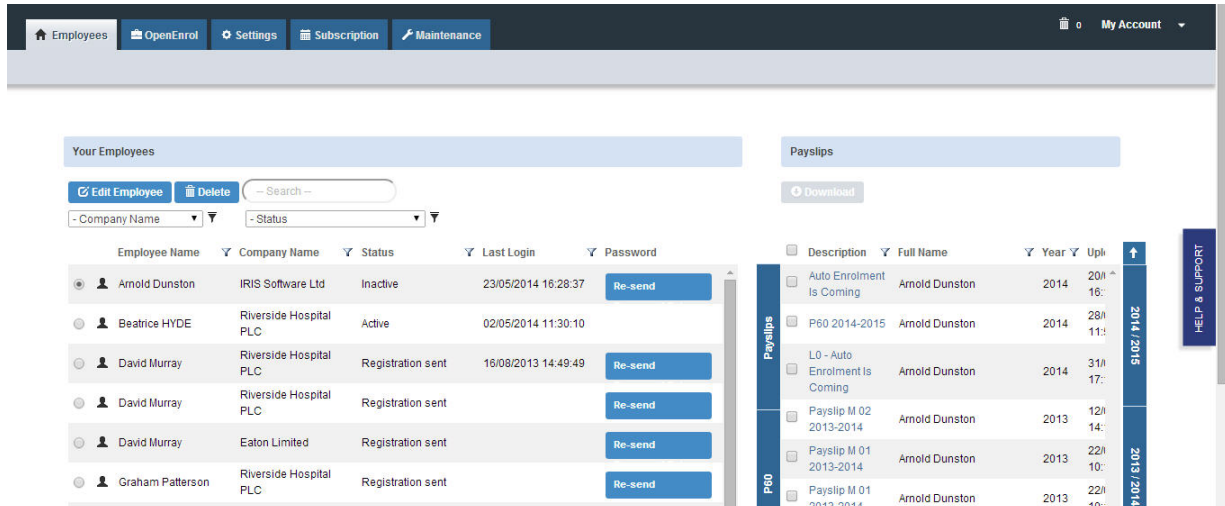

How the employer views the published payslips

To view the published payslips:

1. Go to the IRIS OpenPayslips website at <https://www.irisopenpayslips.co.uk/> and log in with the registered email address and password
2. Click on an employee's name and the screen will change on the right to show only their communications
3. Select the tax year on the right that you wish to look at then click on the **Payslips** tab
4. The screen changes again to show the payslips uploaded for the employee in that tax year
5. Click on the Payslip and a new browser tab will open containing a copy to be viewed or printed as needed
6. Click back to the first browser tab to return to IRIS OpenPayslips

Managing the IRIS OpenPayslips Account

The main page has five tabs on the top left, **Employees**, **OpenEnrol**, **Settings**, **Subscription** and **Maintenance**. (IRIS OpenEnrol is part of the IRIS AE Suite™, not available in IRIS Payroll Basics. Contact Sales on 0844 815 5700 for more information).

The screenshot shows the IRIS OpenPayslips web interface. At the top, there is a navigation bar with tabs for 'Employees', 'OpenEnrol', 'Settings', 'Subscription', and 'Maintenance'. Below this, the 'Your Employees' section contains a table of employee records. The 'Payslips' section on the right shows a list of payslips for a selected employee, with a vertical sidebar for selecting the tax year.

Employee Name	Company Name	Status	Last Login	Password
Arnold Dunston	IRIS Software Ltd	Inactive	23/05/2014 16:28:37	Re-send

Employees

The **Employees** tab displays all employees from all companies in the payroll software that have had payslips published to IRIS OpenPayslips, along with their current **Status**.

The list of employees can be sorted using any of the columns; **Status** shows whether a registration email has been sent and whether the employee has registered with IRIS OpenPayslips yet.

How to edit an employee's details

1. On the **Employees** tab select the individual using the buttons on the left, then click **Edit Employee**

2. Amend details, then click **Update**

If an employee's email address changes, you must update it in the payroll software AND here, as it will not sync automatically when you publish payslips

OpenEnrol

IRIS OpenEnrol is another element of the IRIS AE Suite™, not available in IRIS Payroll Basics. Contact Sales on 0844 815 5700 for more information.

Settings

The **Settings** tab has two buttons on the top left, **Account Details** and **Report**.

When the **Settings** tab is selected it opens by default on the **Account Details** view.

- **Account Details** shows the account administrator details. These can be updated by clicking the **Edit** button
- From the **Report** button you can:
 - Use the **Audit Log Report** to view a list of all actions taken within this account. Use the **Search** box to filter the results if required
 - View **Published Payslips History** to create a report showing the number of files uploaded per payroll company. Enter the relevant dates and click either **Data Export (.CSV)** or **Print View**
 - View **Changed Employee Emails** showing previous email addresses and what they have changed to

Subscription

The **Subscription** tab has two sections, **Contract** and **Invoice History**.

- **Contract** displays your Contract ID, Contract Type, Start Date and End Date
- Click on **Invoice History** to view, print or export invoices

Maintenance

The **Maintenance** tab allows you to recall payslips that have been sent in error. You can recall **Payslips** by clicking on the relevant button at the top of the screen.

To recall a document:

1. Tick the box next to the relevant document or click the **Select All** box if you need to recall everything
2. Click the **Recall** button

This will remove the published document from the website, it will not recall the actual sent email. If the employee tries to click on the link to the payslip in the email, it will not work.
