# IRIS Payroll Professional

A flexible, HMRC accredited payroll system enabling you to manage your specific company requirements

IRIS Payroll Professional is accredited by HMRC and suitable for companies with more than 50 employees or those with more complex payroll requirements.

A flexible payroll system
Whether you are running a payroll system for more than 100 employees, or running multiple company payrolls, with IRIS Payroll Professional you can be sure all employees are paid accurately and on time, safe in the knowledge that your business is up to date with current legislation.

HMRC accredited
Accredited with HM Revenue & Customs (HMRC) Payroll Standard for Internet filing.

Integrate and save more
IRIS Payroll Professional integrates with IRIS HR Manager and IRIS P11D. Entering your data only once and sharing it between the 3 systems saves considerable time.

Key features
- Quick report writer for bespoke reports
- Links in with Time & Attendance software
- Compatible with IRIS OpenPayslips, secure e-payslips
- Holiday accruals
- User defined data import and export facilities
- Management information can be obtained quickly and easily
- Compatible with IRIS OpenPayslips, secure e-payslips

No hidden costs
Prices start from just **£892** and the annual fee is just **£504**. This includes all your software upgrades and unlimited phone and online support. On site and online training courses are also available.

Additional modules available
There are a range of additional modules available to enable you to customise IRIS Payroll Professional to suit your specific needs.

- CIS Module
- Costing Module
- Spreadsheet Import Module

CIS Module
- Sub-contractors are kept in a separate company to PAYE employees. This ensures no mistakes can be made when reporting to HMRC
- IRIS Payroll Professional stores the UTR (Unique Tax Reference) for each of the company statuses of 'Sole Trader', 'Partnership', 'Limited Companies' and 'Trusts'
- At the click of a button IRIS Payroll Professional will contact the HMRC Gateway and verify the tax status for any of the sub-contractors on the system
- Material and Labour costs can be split between different jobs (Requires the costing module to be purchased)
- Calculates VAT for VAT registered sub-contractors

IRIS Payroll Professional

A flexible, HMRC accredited payroll system enabling you to manage your specific company requirements
