

# IRIS HR Manager

---

*Keep a centralised database of all your staff in a secure, accessible and paperless environment.*

*Easy to use, low-cost software that makes it easy to manage and keep employee data up to date – from the makers of Earnie payroll software*

Designed for use by small to medium businesses, IRIS HR Manager enables you to easily create, store and retrieve employee information; helping you to comply with employer legislation.

IRIS HR Manager will help you to keep up-to-date with the latest government regulations, with the minimum of fuss.

### ***Find all employee records easily***

IRIS HR Manager is easy to use and will assist you in retrieving and archiving all HR records; from absenteeism to appraisals.

### ***Templates included for no additional charge***

There's no need for expensive legal documents when you have IRIS HR Manager. A whole range of pre-defined forms and templates are included; helping you to create and retain all the legal records for your staff members, whilst enabling you to quickly produce the paper reports you need.

### ***Simple reporting***

The straightforward reporting function means you can make informed management decisions and with the facility to attach documents you can also store all your employee data in one place.

### ***Integrate and save more***

IRIS HR Manager can also be used alongside your IRIS or Earnie payroll software. Entering your data only once and sharing it between the 2 systems saves considerable time.

### ***Invest in training and get even more***

On-site training courses are available. For more information please email [sales@iris.co.uk](mailto:sales@iris.co.uk) alternatively call one of our representatives on **0844 815 5656**.

### ***Low price with no hidden extras***

Prices start from just **£292** and the annual support fee is from just **£186**. Your annual fee provides you with unlimited support and software upgrades – guaranteeing you are always working with latest government legislation.
