10.7 You agree the exclusions and limitations set out in this Agreement are reasonable because (among other factors): (i) the Software and Services are not developed specifically for You; (ii) whilst We follow proper industry standards, conducting all possible tests to guarantee error-free Software and Services is not economically feasible; and (iii) the allocation of risk between the parties in this Agreement is reflective of the

17 Employees

17.1 The parties confirm that they do not intend that this Agreement shall constitute a relevant transfer for the purposes of the TUPE Regulations.

17.2 You will not attempt to employ either directly or indirectly or as consultants any of Our employees during the Term or for a period of twelve (12) months after termination of this Agreement (howsoever caused) without Our prior written consent. If You (whether directly or indirectly) employ or retain the services of any of Our employees who has provided the Services to You, You shall pay to Us on demand by way of liquidated damages representing a pre-estimate of Our loss a sum equal to 50% of the first year's salary and emoluments (including all payments fixed in advance) to be paid or intended to be paid to such individual unless We agree in writing to the transfer in which case the liquidated damages will be waived. The foregoing shall not apply to a recruitment offer made to or employment of any person who contacts You solely on his or her own initiative, or in response to a bona fide employment advertisement.

18 Force majeure

No party shall be liable to the other for any delay or non-performance of its obligations under this Agreement arising from any cause beyond its reasonable control ("Force Majeure Event") and time for the performance of such impeded obligations shall be extended accordingly. If such event continues for more than ninety (90) calendar days and provided substantial performance is still impeded, either party may terminate this Agreement forthwith by prior written notice without prejudice to the accrued rights of either party. Delays in payment obligations are excused only to the extent that payments are entirely prevented by the Force Majeure Event.

19 Assignment & Subcontracting

19.1 We may assign, novate or otherwise transfer any of Our rights or obligations under this Agreement without Your consent to an IRIS Group Company.

19.2 Subject to S.2 clause 12 (Data Protection) We may subcontract the performance of Our obligations under this Agreement to Consultants or an IRIS Group Company at Our discretion but shall remain solely responsible for the performance of such obligations.

19.3 You may only assign, sub-contract or otherwise transfer any of Your rights or obligations with Our prior written consent. If that is to an outsourcing provider, the Software must remain in the UK and the outsourcing provider must connect to the Software to meet its obligations and you will at all times remain responsible for the actions of the outsourcing provider.

20 Notices

20.1 Any notice to be given pursuant to this Agreement shall, unless otherwise expressly provided, be in writing and sent to the other party marked for the attention of the person at the address specified in this Agreement or any Order, or to such other address as either party may notify to the other in writing in accordance with this clause, provided that in the absence of an address, We may send notices directed to You at Your registered address.

20.2 Notices directed to Us must be sent to IRIS Software Limited, 4th Floor Heathrow Approach, 470 London Road, Slough, SL3 8QY, Attention: Legal Department. Notwithstanding the foregoing, We may indicate in writing to You an alternative acceptable electronic written method for service of notice to terminate pursuant to S.2 clause 11.3.

20.3 For the purpose of notices to be given by Us in writing, the expression "writing" or "written" shall be deemed to include email communications. At Our option, We may send You written notice by email at the email address You supply to Us specified in an Order.

20.4 A correctly addressed notice sent by: (a) Royal Mail Recorded Signed For post shall be deemed to have been delivered two (2) Business Days after posting; (b) a correctly addressed notice sent by first-class post shall be deemed to have been delivered three (3) Business Days after posting; (c) correctly addressed emails shall be deemed to have been delivered one (1) Business Day after sending; and (d) expedited delivery service shall be deemed to have been delivered upon receipt, as evidenced by signature of the recipient.

21 Severability

If any provision of this Agreement is judged to be illegal or unenforceable, the continuation in full force and effect of the remainder of the provisions shall not be prejudiced.

22 Waiver

No forbearance or delay by either party in enforcing its rights shall prejudice or restrict the rights of that party and no waiver of any rights or of any breach of any contractual terms shall be deemed a waiver of any other right or of any later breach.

23 Entire Agreement and Variation

23.1 This Agreement and any document expressly incorporated in it contains the entire and only agreement between the parties and supersedes all previous agreements between the parties with respect to the subject matter hereof. Each party acknowledges that in entering into this Agreement, it has not relied on any representation, undertaking, promise or statement whether oral or in writing which is not expressly set out in this Agreement. Except as expressly provided in this Agreement all conditions, warranties, stipulations and other statements whatsoever that would otherwise be implied or imposed by statute, at common law, or otherwise howsoever are excluded to the fullest extent permitted by law. Nothing in the foregoing shall however affect any liability for fraudulent misrepresentation.

23.2 No changes to any Service or an Order (including but not limited to Licence Metrics and any pre-agreed dates for the provision of the Services) or to the terms of this Agreement which are requested by You shall be valid unless and until accepted in writing by Our authorised representative or by using an approved method of modifying a Service or an Order which We may provide at Our discretion.

23.3 You may not at any time submit, and IRIS will not be bound by and specifically rejects, any term, condition, obligation, or other provision which is different from or in addition to the provisions of this Agreement or which may be in any order, receipt, acceptance, confirmation, correspondence, or other document; including without limitation, any provisions or terms of any click-through agreement for IRIS to register with, or connect with, Your software, network, or platform. For the avoidance of doubt, submission or attempted submission of such additional or alternative terms and conditions or documentation shall have no effect on your obligations to make payment of any invoice for your use of any part of the Services.

23.4 The Agreement, and any Order entered into pursuant to these Terms and Conditions, may be executed in any number of counterparts using any approved method (including by means of electronic signature if approved by Us), and all counterparts together shall constitute one and the same instrument.

23.5 Upon any variation or change to this Agreement, the Licence of the Licensed Materials, Our obligation to provide the Services, and Your obligation to pay the Charges in respect of the same shall continue.

24 Third party rights

24.1 A person who is not party to this Agreement shall have no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Agreement. You hereby acknowledge and agree that this Agreement will not be enforceable against any Group or associated company of Ours, and Your sole recourse and/or any rights or remedies You may have whether in contract, tort or otherwise arising from Our failure to comply with the terms of this Agreement will be against Us alone.

24.2 Any of Our third party providers of any part of the Services if an enforcement right is specifically noted in this Agreement, shall have the right to enforce any corresponding term of this Agreement and receive any benefit of this Agreement.

We reserve all rights not expressly granted to You in this Agreement.

1. Definitions and Interpretation

“Third Party EULA” or “EULA”

means the end user licence agreement (if any) which governs Your use of or access to the applicable Third Party Software, in addition to this Agreement. This may take the form of a document which is published by the third party supplier and accompanies the Third Party Software that You procure from Us, or any terms determined by the relevant third party supplier on which We are entitled to sub-license the Third Party Software to You;

2. Your Obligations

2.1 While Your primary commercial obligations remain with IRIS (including but not limited to, payment, renewal, termination and liability), Third Party Software may be subject to a Third Party EULA and additional privacy policies governing your use of that Software to which You will be bound. We recommend that You carefully review any Third Party EULA.

2.2 In the event of any conflict between this Agreement and the applicable Third Party EULA, the terms of the Third Party EULA shall take precedence solely in respect of the use of the third-party software. For the avoidance of doubt, all commercial terms and obligations agreed with IRIS shall continue to apply and remain unaffected, and all other provisions of this Agreement shall remain in full force and effect.

+ Section 4 On Premise Software Terms

1 Definitions and Interpretation

“Datacentre”

means a centralised repository, either physical or virtual, for the storage, management, and dissemination of data and information organised and pertaining to a particular business where multiple Users that have multiple office locations/branch details can access the single database concurrently;

“Datacentre Licence”

means a licence to use the Software and Licensed Materials in or as part of a Datacentre;

“Network” or “Computer Network”	means a system of computers that consist of two or more computers and other devices including but not limited to printers, external hard drives, modems and routers that are linked together so that they can communicate with each other and thereby exchange commands and share data, hardware and other resources and where multiple Users at a single location can access the single database across multiple computers concurrently;
“Portable User”	has the meaning given to that term in S.4 clause 2.2.2;
“Standalone Computer”	means a desktop or laptop computer that is used on its own without requiring a connection to a network and is able to function independently of any other hardware;
“Standalone Licence”	means a licence to use the Software and Licensed Materials on a Standalone Computer;
“Upgrade”	means a change in a Licence from a Standalone Computer Licence to a Network Licence or Datacentre Licence, or from a Network Licence to a Datacentre Licence, or the inclusion of additional separately charged features or services from Us not included in Your original Licence;

2 Grant of Licence

2.1 We grant You a non-exclusive and non-transferable Licence during the Term to use the Licensed Materials at the Location in accordance with this Agreement and any other terms of use applicable to a particular Service which must be accepted before using the Service.

2.2 The Licence entitles You to:

2.2.1 receive, install and use one copy of the Software, together with the necessary Documentation, on one Central Processing Unit (CPU) of the Equipment in respect of each User. Where the Software is Licensed to multiple Concurrent Users it may be installed on a file server of the Equipment for the sole purpose of distribution to the number of Concurrent Users Licensed and such file server use will not be counted for the purposes of ascertaining the number of Concurrent Users;

2.2.2 (if expressly specified in an Order only) use the Software on any home computer, lap-top, tablet, smart-phone or other mobile computing device proprietary to You, where the Software is permanently installed on the hard disk or other storage device of the Equipment (but not a file server) and You or Your employee are the predominant user of the Software (Portable User) and, where applicable, such use will form part of and will count as one for the purpose of the Portable User limit;

2.2.3 unless Your Licence is a Datacentre Licence or You are using Remote Payroll Entry Software, You may only install and use the Software at a single Location and any access to the Software from another Location shall require You to purchase an Upgrade to a Datacentre Licence. Unless Your Licence is a Network Licence or Datacentre Licence, You may have a Standalone Licence to install, access and use the Software on only one CPU/terminal, identified as the Equipment, at the Location and Installation. Access and use of the Software (other than purely for backup purposes pursuant to S.2 clause 3 and S.4 clause 4) on another CPU/terminal shall require You to purchase either a Network Licence or a Datacentre Licence.

2.3 Subject to S.4 clauses 2.4 and 2.6, You may request to add additional Users to an existing

Licence or order additional Services from Us by submitting a separate Order for Our approval (such approval not to be unreasonably withheld) and upon which We shall grant access to the Software, Services and Licensed Materials to such additional User(s) in accordance with the terms of this Agreement.

2.4 If We accept the request for additional Users to the Licence, and if such additional Users are purchased by You part way through the Minimum Commitment or Renewal Term (as applicable), such fees shall be pro-rated for the remainder of the Minimum Commitment or then current Renewal Term.

2.5 You may request to purchase an Upgrade to an existing Licence or order additional Services from Us by submitting a separate Order for Our approval (such approval not to be unreasonably withheld).

2.6 If You purchase an Upgrade, and Your Licence Period is less than one (1) year, then unless We agree otherwise, the Commencement Date will be amended to be the date that the Upgrade is made available to You and a new Minimum Commitment of a period of twelve (12) calendar months from the new Commencement Date shall apply. No Downgrade or reduction in the number of Concurrent Users or Portable Users or in the level of Services shall be permitted during the Initial Commitment, and, after the Initial Commitment, You may only make any such Downgrade or reductions by giving Us ninety (90) days advance written notice to take effect at the end of the Minimum Commitment or a subsequent Renewal Term.

3 Acceptance

You will be deemed to have accepted the Software on the date of dispatch by Us of the Licensed Materials to the Location. Risk in the Licensed Materials shall pass on such acceptance.

4 Permitted Use

4.1 You may use the Software only on the Equipment at the Location.

4.2 You shall permit Us, or Our agents, on reasonable prior notice, to inspect and have access to the Location or any premises or equipment at or on which the Software is being kept or used, and any records kept pursuant to this Agreement, to verify that Your use of the Licensed Materials and the Services is in accordance with the terms of this Agreement. If necessary, We may require You to operate and run a tool or programme provided by Us on Your equipment to verify this.

4.3 Where it is not possible for Us to verify Your use of the Licensed Materials internally, You shall allow Us, upon reasonable prior written notice to review Your systems to verify that Your use of the Licensed Materials is in accordance with this Agreement.

5 Extent of permitted reproduction

5.1 You are permitted to make one back-up copy of the Software for Your lawful use and You shall record the location of that copy and take steps to prevent its unauthorised use or copying. The copy will at all times belong to Us.

5.2 You may only use a back-up copy of the Software by substituting it for the copy You are using. If copies that You have made of the Software and/or Licensed Materials fall into the hands of a third party, You agree that You will be responsible for paying Us within three (3) days from notification pursuant to S.2 clause 4.3, the full Licence and other fees connected with the use of these unauthorised copies.

5.3 A separate Licence is required and must be purchased by You for the use of copies of the Software on equipment other than the Equipment situated at the Location.

5.4 You undertake to effect and maintain adequate security measures and maintain accurate and up-to-date records of the number and location of all copies of the Software or the Licensed Materials and upon reasonable prior written notice forthwith produce such record to Us, and to supervise and control use of the Software in accordance with this Agreement.

6 Support and Services

6.1 The Support is compulsory as part of the supply of the Licensed Materials and is charged separately

from the Licence Fee as part of the Support Fee (or may be charged in aggregate in an Order as ‘Recurring Fees’). Where the Licensed Materials are supplied by a Reseller, the Reseller will provide the Support in respect of the Software in accordance with and subject to this Agreement, unless specified otherwise in an Order or other written notification We or a Reseller send to You.

6.2 Any Deliverables will be produced for Your exclusive use within Your business only. You are not permitted to disclose the Deliverables to any third party.

7 Customer obligations

7.1 You undertake to allow Our Software to transmit data to Us, at any time, to enable Us to check whether You are using a Current Release or enable Us to prompt You when a Current Release is available and to ensure compliance with the Agreement.

7.2 In relation to the Services, You shall:

7.2.1 ensure that each Maintenance Release or Current Release We issue to You is installed and implemented as soon as is reasonably possible and, in any event, implemented not later than three (3) months from the date it is received by You; and

7.2.2 where applicable provide a valid serial and registration number to Us when performing an upgrade to obtain a Release Code.

8 Limitation of liability

The limitation of liability set forth in S.2 clause 10.2 shall not apply to any losses suffered by Us arising from Your breach of S.2 clause 13.4.

5.5 Clauses 4-5 below apply to AML Service Only

- 4.4 You will procure that any Output provided to it is only used for the purpose of assessing whether a Data Subject may be taken on as a client of Your services.
- 4.5 You shall obtain explicit consent of the Data Subject that the search footprint to be retained in respect of a search made using the AML Service, will read as having been made by Us rather than You.

5 Use of Information and Notices

5.1 You grant to Us, and to the provider of the AML Service, a non-exclusive, irrevocable, perpetual licence to copy, store, use, and sub-licence the Input (including the electronic mail and internet protocol addresses that form part of the Input) to enable the AML Service to be provided and to allow that provider of the AML Service to provide services to their clients in which the Input is used to assist with identity verification, prevention of fraud/money laundering, service delivery and process implementation only. For the avoidance of doubt, the electronic mail and internet protocol addresses that form part of the Input will not be used to initiate contact with You or any of Your customers for direct marketing purposes. This clause 5.2 shall survive the termination of the Agreement.

5.2 Prior to using the AML Service, all appropriate notices have been given by You and/or consents (including Data Subject consents) have been obtained by You to enable the Input (together with the related Output) to be used in the manner described in S.5 clause 5.1. To deal with the sensitivities that some Data Subjects may have regarding the use of their data for ID verification purposes, You shall offer alternative methods by which a Data Subject can verify their identity and shall not discriminate against a Data Subject because of their refusal to use or permit the use of electronic ID verification systems.

“Payroll Companies”	means the number of Your companies (including but not limited to Your Group Companies) and Your clients’ companies Processed using and/or using the Software per calendar month as may be named in an Order.

2 Payment Terms & Termination

2.1 Calculation of Charges shall be with reference to Monthly Usage, as described in an Order. Charges for Monthly Usage shall be calculated by multiplying the payslip rate by the transactional payslip volume. Where such Monthly Usage based Charges occur, this will be billed in arrears and referenced on the invoice, as appropriate.

2.2 You shall pay the higher of: a) the Agreed Monthly Charge; or b) the Charges calculated on the Monthly Usage of the Software or Service in the month (as described in S.7 clause 2.1); together with the fees detailed in the Order.

2.3 Monthly Charges are payable by You from the Agreed Start Date, irrespective of whether or not delivery of the Services actually commences by the Agreed Start Date unless the delay in the commencement of the delivery of the Services is solely caused by Our fault.

2.4 In the event of early termination by You (except under S.2 clause 11.6.1), We will charge You a termination fee for each payroll terminated (“Termination Fee”) representing a genuine pre-estimate of Our damages resulting from such early termination. The Termination Fee will be calculated by multiplying the number of months left in the Initial Term or Renewal Term (as applicable) by the last recurring Monthly Charge invoiced to You. If, following the Commencement Date, You fail to complete Your first payroll run or parallel run process by the Agreed Start Date (and such failure or delay is not a direct result of Our breach of Our obligations) and seek to terminate the Agreement prior to the start of the Term, You shall be liable to pay to Us a Termination Fee comprising of twelve (12) months of Agreed Monthly Charges. Termination Fees are payable on demand.

3 Timescales

Time will not be the essence in achieving the Agreed Start Date. In addition, We cannot be held responsible for meeting any timescale required due to termination or expiry of Your Outgoing Service Provider.

4 S.7 Clause 4 applies to IRIS Cascade Managed Payroll Services only

4.1 You acknowledge that when dealing with tax authorities/HMRC on Your behalf, We are required to be honest and take reasonable care to ensure Your returns are correct.

4.3 You shall examine all Data (including, for avoidance of doubt, payroll data) which has been processed by Us as part of the Services in the format in which such processed Data is delivered or sent to You by Us for this purpose with reasonable care and diligence for errors, omissions, or discrepancies and shall notify Us immediately of any such errors, omissions or discrepancies. Once You have either (i) confirmed Your approval of the accuracy and completeness of any such processed Data in the format sent or delivered to You by Us (by the agreed cut-off date where applicable); or (ii) even where You have not communicated such approval, You have not notified any such errors, omissions or discrepancies to Us (by the agreed cut-off date where applicable), We shall have no liability or responsibility to You or Your employees in respect of any loss or liability incurred by You or Your employees in respect of any errors, omissions, discrepancies or other issues which may arise thereafter as a result of non-communication by You to Us of any such error, omission, or discrepancy.

4.4 You shall be solely responsible for ensuring Your own compliance with all legal and regulatory obligations imposed on You, including without limitation under all applicable Data Protection Laws, employment and tax law, and which are relevant to the subject-matter of this Agreement, including Services. We shall have no responsibility or liability to any person including, without limitation, You or Your employees, with regard to any non-compliance by You with Your own legal and regulatory obligations (including, without limitation and for avoidance of doubt, where such non-compliance results, directly or indirectly, from Us following Your direction) and regardless of Our state of knowledge regarding same.

4.5 The parties acknowledge where any error has occurred each shall use their best endeavours to mitigate any losses. In the case of overpayments to employees, You must advise Us as soon as practicable after becoming aware.

S7 Clause 5 below applies to Staffology Payroll only
